QUICKTRADE PRO

Introduction

Introducing **QuickTrade Pro** – Your Ultimate Trading Companion for the Capital Market of Bangladesh.

Welcome to QuickTrade Pro, the premier trading app **Midway Securities Ltd**. brought to you. Designed specifically for the discerning investor in the Bangladeshi capital market, QuickTradePro offers a comprehensive suite of features and tools to empower you in your trading journey.

Stay ahead of the curve with real-time market data, informing you of the latest developments and trends. Whether you're a seasoned trader or just starting, our intuitive interface makes it easy to navigate through watchlists, monitor your portfolio, and easily delve into symbol details.

With QuickTrade Pro executing trades has never been simpler. Take advantage of our seamless trade execution process to capitalize on market opportunities swiftly and efficiently. Plus, keep your profile up to date and tailor your settings to suit your individual preferences and trading strategies.

At **Midway Securities Ltd.**, we are committed to providing you with the tools and resources you need to succeed in the dynamic world of trading. Join us on QuickTrade Pro and unlock the potential of the Bangladeshi capital market at your fingertips.

Feature List

QuickTradePro is more than just a trading app—it's a comprehensive platform designed to empower investors in the Bangladeshi capital market. With its robust features, real-time data, and user-friendly interface. Our exclusive features:

- ✓ **Real-time Market Data:** QuickTrade Pro provides you with live updates on stock prices, indices, and market trends, ensuring that you have access to the most current information at all times. This includes bid-ask spreads, volume, and price movements, empowering you to make informed trading decisions.

- ✓ **Comprehensive Watchlists:** Create personalized watchlists tailored to your specific interests and investment strategies. Monitor multiple stocks simultaneously, organize them by sector or performance, and receive alerts for significant price changes or news updates.

- ✓ **Portfolio Management:** Keep track of your investment portfolio effortlessly within the app. View your holdings, asset allocation, and overall performance in real time. Analyze historical data, including purchase price, cost basis, and returns, to assess your investment strategy and make adjustments as needed.

- ✓ **Symbol Details:** Access detailed information about individual stocks, including company profiles, financial metrics, analyst ratings, and recent news. Dive into interactive charts and technical indicators to conduct in-depth analysis and identify potential trading opportunities.

- ✓ **Effortless Trading:** Execute trades with ease using QuickTrade Pro's intuitive trading platform. Place market orders, limit orders, or stop-loss orders directly from the app, with instant order confir- mation and execution. Enjoy seamless integration with the Dhaka Stock Exchange (DSE) , ensuring reliable and efficient trade execution.

Effortless Trading: Execute trades with ease using Midway Securities Limited's intuitive trading platform. Place market orders, limit orders, or stop-loss orders directly from the app, with instant order confirmation and execution. Enjoy seamless integration with the Dhaka Stock Exchange (DSE), ensuring reliable and efficient trade execution.

Profile Updates: Keep your profile information up to date to receive personalized notifications, alerts, and recommendations based on your trading activity and preferences. Update your contact details, communication preferences, and security settings to ensure a seamless user experience.

Customizable Settings: Customize the app to suit your individual preferences and trading style. Choose from a range of display options, theme colors, and layout configurations to create a personalized trading environment. Set up price alerts, news notifications, and trading reminders to stay informed and engaged in the market.

QuickTrade Pro revolutionizes the way you trade and invest, putting the power of the market in your hands.

Getting Started with QuickTrade Pro: A Comprehensive Guide

Download QuickTradePro mobile app from

Google Play Store: Search the Play Store for QuickTrade Pro.

Or from apple store

Apple App Store: Search the app Store for QuickTrade Pro.

Welcome to QuickTrade Pro, your ultimate trading companion for the Bangladeshi capital market. To help you get started, we've prepared this detailed guide to walk you through the key features and functionalities of our app.

Step 1: Download and Installation

1.1. Visit the respective app store on your mobile device (App Store for iOS devices or Google Play Store for Android devices).

1.2. Search for "QuickTrade Pro" in the search bar.

1.3. Locate our app in the search results and tap on the "Download" or "Install" button to initiate the download and installation process.

1.4. Once the installation is complete, tap on the QuickTrade Pro icon on your device's home screen to launch the app.

Page 4 of 32

Step 2: Account Login

2.1. Upon launching the app, you will be prompted to log in if you already have the Client Code / User ID and Password.

2.2. Follow the on-screen instructions to provide the required information, including your user ID, and password.

2.3. Once you have filled in all the necessary details, tap on the "Sign In" button to proceed.

2.4. There is also a biometric login feature. It will be available after your first login.

Step 3: Exploring the App

3.1. Upon logging in, you will be greeted with the Watch list screen of QuickTrade Pro, featuring various modules and tabs such as Market Data, Watch list, Portfolio, Symbol Details, Trade, Profile, and Settings.

3.2. Take some time to explore each section of the app and familiarize yourself with its functionalities.

3.3. Access real-time market data, create and manage watch lists, monitor your portfolio, delve into symbol details, execute trades, update your profile, and customize app settings according to your preferences.

Step 4: Additional Resources

4.1. For further assistance and guidance on using specific features of QuickTrade Pro, refer to the how-to menu on the menu page.

4.2. Stay updated with announcements, news, and tips provided within the app to enhance your trading experience. Congratulations! You are now ready to make the most of QuickTrade Pro and embark on your journey in the Bangladeshi capital market. Happy trading!
